

The University Advising Survey is administered in the spring semester of the academic year to all undergraduate students registered for classes. The survey is distributed via student email in the first week of April and is left open through the end of the advising period, typically four to five weeks later. In Spring 2016, for the College of Justice and Safety, there was a total of 472 respondents to the survey, for a response rate of 20%.

Overall, student feedback was positive with 89% of respondents being satisfied or very satisfied with their advising experience.

Table 1: Overall Advising Satisfaction

Overall, how satisfied are you with your advising experience?	%	N
Very Satisfied	61.35%	254
Satisfied	27.29%	113
Dissatisfied	5.56%	23
Very Dissatisfied	5.80%	24

Students were also asked to rate their agreement with statements about their advisor and their specific skills, knowledge, and services. The majority of this feedback was also positive, with 80-90% of respondents agreeing with most statements.

The strongest attributes of advisors were being knowledgeable about a student’s program of study (91%), helping students understand their Degree Works Audit (91%), helping students achieve a realistic understanding of the program options available (91%), and being well informed about campus support services available to students (91%).
